**TENTH INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. §§1.97 and 1.98**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Commissioner:

In compliance with the duty of disclosure under 37 C.F.R. §1.56, it is respectfully requested that this Information Disclosure Statement be entered and the references listed on attached Form PTO-1449 be considered by the Examiner and made of record. The references listed on the attached Form-1449 are patents and published applications assigned to Cummins-Allison Corp. which is the assignee of the present application.

This application is a continuation-in-part of (1) U.S. Patent Application Serial Number 09/502,666, entitled "Currency Handling System Having Multiple Output Receptacles," which was filed on February 11, 2000, and is assigned to the assignee of the present application, and (2) U.S. Patent Application Serial Number 09/562,231, entitled "Currency Processing Machine With Multiple Internal Coin Receptacles," which was filed on April 28, 2000, and is assigned to the assignee of the present application.

In accordance with 37 C.F.R. § 1.98(d), any necessary copies are enclosed. However, in accordance with the September 21, 2004 OG Notice and 37 C.F.R. § 1.98(a)(2)(ii), copies of U.S. patents and U.S. published application references are no longer required and, thus, are not enclosed.

The applicants would like to make the Examiner aware of the following pending U.S. applications that are being pursued by the assignee of the present application:

In accordance with 37 C.F.R. §1.98(a)(2)(iii), as modified by the October 19, 2004 OG notice, copies of the above-referenced pending U.S. applications which are stored in the USPTO's IFW system are no longer required; and hence, no copies of such applications are enclosed.

For the pending applications which are not currently in the IFW system, where applicable a publication having the same or similar specification as the corresponding pending application is identified in the last column. If any of the above pending applications not currently in the IFW system should not be in the IFW system at the time the present application is taken up for examination, it is requested that the Examiner please notify the Applicant(s). In accordance with 37 C.F.R. §1.98(a)(2)(iii), copies of such applications together with their corresponding claims will be then provided to the Examiner.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be

an admission that the information disclosed is, or is considered to be, prior art with respect to the present application or material to patentability as defined in 37 C.F.R. § 1.56.

The present Information Disclosure Statement is believed to be timely in accordance with 37 C.F.R. § 1.97(c). With respect to the \$180.00 fee set forth in § 1.17(p), the Commissioner is hereby authorized to charge this fee connected with this filing, and any other fees deemed necessary which are required (except payment of the issue fee), or credit any overpayment to Deposit Account No. 50-4181, under Order No. 247171-000305USP1.

Respectfully submitted,

October 29, 2007
